**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose Sonic fiber internet because of its superior speeds and fair prices. Before, when I had Comcast cable internet, I was at the mercy of its internet speeds of 150 mbps at a ridiculous cost of \$75/month! Now, with Sonic, I can get reliable, fast internet connection at 1 Gbps for only \$60/month. No other ISP in the area comes close. I support broadband competition--it allows for better choices for consumers like myself.
